WITH PREJUDICE

Dear Colleagues,

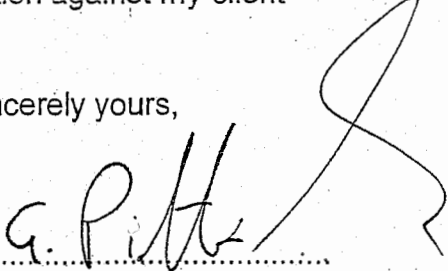

I am writing to you in answer to your letter to my client Michelle McDonald on behalf of your clients Mr. and Mrs. O' Dwyer.

My client had no idea that there was such a dispute between CHRISTOPHOROS KARAYIANNAS & SON LTD and your clients.

She bought it in good faith and after she was told that a previous contract had been cancelled. So, there is nothing between your clients and my said client.

Possession was taken by my client legally and your client has not any cause of action against my client

Sincerely yours,

.....
